

# SLOW FOR THE CONE ZONE™

In all weather conditions Caltrans Highway workers need your help. Always remember:

- ◆ Slow down when passing a work area. Stay alert and leave enough time for travel. Pay attention to the signs.
- ◆ Be careful. Just like you, Caltrans workers want to return home safely tonight.
- ◆ Maintain control of your vehicle. Stay focused on the job at hand — driving safely.
- ◆ Obey all warning signs and watch for equipment. Workers may be nearby.
  - ◆ NEVER drive while under the influence of drugs or alcohol.
